“Go Global Webinar”

Go Global” is the theme of a webinar series put on by the U.S. Department of Commerce. There are ten total webinars that range in topics from trade financing to understanding export regulations. The next webinar is July 16, 2013 and is focused on the Foreign Agricultural Service with the topic “Finding Buyers and Making Contacts”.

According to the Department of Commerce, despite a slowdown in the world economy and world trade volumes, U.S. exports hit an all time record of \$2.2 trillion in 2012 and supported nearly 10 million jobs.

The webinars are held at the Lifelong Learning Center at 801 East Benjamin Avenue in Norfolk, Nebraska from 12:00-1:00 pm with attendees invited to bring their lunch.

The Norfolk Area Chamber of Commerce and the Norfolk Area Economic Development Council are sponsoring the series.
