## “Elkhorn Lodge Open Through the Winter Months”

The new Elkhorn Lodge was remodeled from a private residence to a public gathering spot last winter. Since spring, people have rented the Lodge for reunions, receptions and other get-togethers. The Lodge is heated and air-conditioned so is now available for rental throughout the winter months. This is a first for the park's rental cabins. In the past there were no cabin rentals available outside of the normal April 15 - October 15 timeframe.

With the opening of the Elkhorn Lodge this season the City is able

to offer year round availability and gives the opportunity for holiday season bookings that were previously unavailable. For more information on renting the lodge go to [http://www.ci.norfolk.ne.us/parks/elkhorn\\_lodge.htm](http://www.ci.norfolk.ne.us/parks/elkhorn_lodge.htm).
