## **“Library Town Hall Meeting Scheduled”**

A Town Hall Meeting is set for January 29 at 7:00 pm at the Norfolk Public Library for citizens to learn more about and participate in the process being undertaken by the City of Norfolk to explore the future of the library.

"The development of ideas and strategies is an inclusive and collaborative process in which many have an opportunity to share ideas and give input," said Jessica Chamberlain, Norfolk Public Library Director. "The opinions of community members play an important role in the library's future."

The Town Hall meeting will provide an overview of the Space Needs Analysis and conceptual design solutions. There will also be time set aside for gathering feedback from members of the community. The Town Hall is open to the public and all are encouraged to attend.
