## “Dog Park Popular Site”

The Dog Park at TaHaZouka Park is seeing a lot of use these days as the weather warms up and dogs want room to run. There are two separate areas for the dogs with both areas surrounded by six-foot chain-link fencing with access through a double gated entrance. At the Dog Park there is also water, sitting benches, dog waste baggies, and a trash can. Shown is Adam Gates of Madison with his three-year-old son, Gabe, and dog, Rommel playing at the park earlier this week.
