“Library director gives out library expansion information”

As Election Day November 4 approaches, Norfolk Public Library Director Jessica Chamberlain and members of the Norfolk Library Foundation are working to make sure people have the correct information in hand when deciding how to vote on a proposed half cent sales tax to fund a library expansion and renovation. To help get that information out, library staff and Foundation representatives have been giving presentations to area groups. Those interested in having them come to speak can email jchamberlain@ci.norfolk.ne.us.
