“Denmark Visitor with Norfolk 101”

The Norfolk 101: Citizens Academy participants had a guest from Denmark along with them at their latest City tour Tuesday evening. Line Fenger, a student at the Aarhus Business College in Denmark, is in Norfolk as part of the Northeast Community College Global Initiatives Program. As part of her Norfolk experience, Fenger toured the City of Norfolk Fire Division, learned about area safety codes, and toured the City jail and dispatch center at the Police Division. Fenger has been in Norfolk since September 29 and will return to Denmark on November 1.
