## “Support for Law Enforcement Officials”

City of Norfolk elected officials gave their renewed support to law enforcement on Friday following comments made March 20 on the floor of the Nebraska State Legislature by State Senator Ernie Chambers comparing police officers to the ISIS terrorist group.

Norfolk Police Officers instruct children on bicycle safety at the annual Landon Bos Memorial Bicycle Rodeo.

“In light of Senator Chambers’ remarks, the Norfolk City Council and I along with the Norfolk community offer our unequivocal support for our local and area law enforcement officials. We know that they, along with law enforcement personnel across the nation, regularly put their lives in danger to protect the safety of our families and communities. We stand by them to let them know that we appreciate their daily efforts in an often thankless job,” said Mayor Sue Fuchtmann.
