“Tours of West Water Treatment Plant Tuesday Evening”

It's Water Week and what better way to celebrate it than enjoying an ice cold glass of water and visiting the City of Norfolk Water Treatment Plant?

Dennis Watts, City of Norfolk Water Director, said an open house will be held at the West Water Treatment Plant at 300 South 49th Street Tuesday evening. The entrance is on the south side of Highway 275 west of Norfolk.

Staff will be on hand to give tours of the plant to the public from 4:30 pm to 6:00 pm Tuesday, May 5.
