## “Youth Lifeguard in Training Program Starting Soon”

Lifeguarding is a great job for young people in the summer. A person learns responsibility, lifesaving techniques and is able to make money in a summer fun atmosphere.

This is the third year that the City of Norfolk is offering Lifeguard in Training courses at AquaVenture Water Park for kids who would one day like to be a lifeguard.

This year’s session runs from July 6 through the 10<sup>th</sup> from 9:30 am to 11:00 am with a cost of \$40 per participant. The only requirement to be in the

Lifeguard in Training program is that the person taking the course be ages 10 to 15 and be able to swim the length of the 25 yard pool at AquaVenture.

Besides learning basic CPR skills and water safety skills, the participants will also learn how to get someone who is in danger of drowning out of the water.

The deadline to sign up for the Lifeguard in Training Program is June 29. Forms are available at AquaVenture Water Park at 715 South First Street. A parent’s signature and payment for the course is needed for registration.

For more information call AquaVenture at 402-844-2270.
