“Portions of Krenzien Drive and Sherwood Road Closed”

Construction continues on the sewer extension south of the Elkhorn River along the Highway 81 corridor. Sherwood Road east of Highway 81 is temporarily closed to traffic. Drivers in the area will need to continue to follow detours as posted and access to businesses and properties will be maintained. The road is expected to be closed until mid-September.

The portion of Krenzien Drive northwest of Michigan Avenue and Krenzien Drive between Michigan Avenue and 20th Street was also closed this week for construction. The intersection of Michigan Avenue and Krenzien Drive will remain open at all times and access to area businesses will be maintained. This work is expected to take approximately six weeks with a reopening planned for the beginning of October.

For more information contact Mark Dolechek, Assistant City Engineer at 402-844-2020.
