“Street Closings”

Two streets in Norfolk will be closed for a period of time in Norfolk beginning on Monday, September 21, 2015.

Construction continues on the sewer expansion south of the Elkhorn River along Highway 81. Beginning Monday, Bonita Drive east of Highway 81 will be closed to traffic. City officials ask that drivers in the area allow for extra travel time when driving in this area of town. Detours will be posted and access to businesses and properties will be maintained.

Also on Monday, Pasewalk Avenue will be closed from 1st Street east to Blaine Street for concrete replacement. Storm sewer pipe will be installed along Pasewalk Avenue from west of Blaine Street to Logan Street with the intersection of Logan Street and Pasewalk Avenue closed at times. This construction work is expected to take approximately six weeks.

For more information, contact Mark Dolechek, Assistant City Engineer at 402-844-2020.
