## **“Trail Work”**

On Wednesday, June 15, 2016 construction will begin on a trail along the roundabout at Victory Road and East Norfolk Avenue. The City of Norfolk is asking citizens to drive cautiously in this area during the construction activity. Traffic will be maintained but will be reduced to a single lane at times during construction. Citizen cooperation is appreciated. This trail work is expected to last approximately two weeks. If there are any questions or concerns, please contact City of Norfolk Engineer Mark Dolechek at 402-844-2020.
