Required Attachments:

Please attach the following documents:

- Projected return on investment calculations both with and without TIF.
- A proposed site plan showing (1) current improvements and (2) a site plan showing the completed improvements. (Each plan should be on 8 ½ inch by 11 inch paper)
- A detailed project cost estimate. Include fund sources and uses within the estimate.
- First page of articles of incorporation, operating, or partnership agreement showing exact business name.

Fees:

The Agency does not charge a fee for TIF projects; however, the Redeveloper is required to pay for the Agency’s TIF Counsel. The Agency’s TIF Counsel normally prepares the Redevelopment Plan, Redevelopment Contract and bond documents. The normal fee for this service is \$15,000 with \$12,000 due upon execution of the Redevelopment Contract and \$3,000 on issuance of the TIF bond. If the project is not approved, or the Redeveloper decides not to move forward, the Redeveloper must pay the Agency’s TIF Counsel fees incurred prior to project termination.

Redeveloper Certification:

I certify the information contained in this application and attachments is accurate to the best of my knowledge and belief and agree to pay the Agency’s TIF Counsel fees as outlined above.
