

NOOK Simple Touch & First-Generation NOOK

Borrowing eBooks from the Norfolk Public Library

Initial Setup:

1. On your computer go to nebraska.lib.overdrive.com.
2. Scroll down to the very bottom of the screen and click on "Software." Click on Adobe Digital Editions.
3. Click on "Download now" and then on either the Macintosh or Windows installer, depending on what kind of computer you're working on.
4. With the Adobe Digital Editions program open, plug the NOOK into the computer using the USB cord .
5. A dialog box may open asking you what you want to do with your NOOK now that it's plugged in. You may close that box by clicking on the red X in the upper right-hand corner.
6. Click back to Adobe Digital Editions.
7. You will be prompted to authorize the device with an Adobe ID. Follow the instructions to either enter your Adobe ID or to sign up for one.
8. There should now be a NOOK folder on the bookshelf in Adobe Digital Editions.

Checking out eBooks:

1. On a computer go to <http://nebraska.lib.overdrive.com>.
2. On the Nebraska OverDrive Libraries site, click on "sign in" in the upper right-hand part of the screen. Choose Norfolk Public Library from the drop-down menu and enter in your library card number.
3. Find an available book in EPUB or PDF format and click on "Borrow."
4. Click "Download" and, if given the option, choose either the EPUB or PDF format.
5. In the dialog box that opens, click "Open with Adobe Digital Editions."
6. The book will download into Adobe Digital Editions. When it is finished, make sure your NOOK is plugged into your computer, and drag the borrowed book to the NOOK bookshelf.
7. After the book has finished transferring, unplug the NOOK from your computer.
8. On the NOOK, navigate to "My Library."
9. Select "My Documents" or "My Files."
10. Select the "Digital Editions" folder.
11. Select your book and start reading!
12. The book will automatically expire after your lending period is up.

Returning eBooks early (optional)

1. On your computer, open Adobe Digital Editions.
2. With the Adobe Digital Editions program open, plug the NOOK into the computer using the USB cord .
3. A dialog box will open asking you what you want to do with your NOOK now that it's plugged in. You may close that box by clicking on the red X in the upper right-hand corner.
4. Click back to Adobe Digital Editions. Click on the NOOK folder in Adobe Digital Editions
5. Hover your mouse on the book you want to return.
6. A small arrow will appear above your book. Click on this small arrow and a list of "item options" will appear.
7. Click "Delete item."
8. Unplug the NOOK from your computer.
